

WE'RE LOOKING FOR A NEW LUANCH SITE!

"The New River Valley Rocketry club has fostered interest in rocketry and STEM in this region for over a decade. It would be a downright shame to lose them as a regional STEM resource."

*—Homer Hickam, of "October Sky"
& Engineer for NASA*

Contact us if you or someone you know has at least 200 acres of land that we can inspect for bringing safe, high powered rocketry back to the New River Valley:
